Dear Mr. Hill:

Congratulations! The Construction Management Development Program and Bond Guarantee Program (CMDP-FAMU BGP) staff wishes to congratulate you on your successful achievement of the enclosed Certificate of Proficiency. This certificate reflects your hard work and proficiency set by the Florida Department of Transportation (FDOT) Disadvantaged Business Enterprises doing business with FDOT. The program is funded by FDOT and is operated by the Florida A&M University Small Business Development Center (FAMU-SBDC).

As a result of all these accomplishments, you are deemed eligible to participate in the FDOT Bond Guarantee Program as a Disadvantaged Business Enterprise (DBE). It is our goal to provide financial counseling and bonding assistance to FDOT certified DBEs.

Again congratulations, the Bond Guarantee Program stands ready to assist you. Should you have any questions, please contact our office at (850) 561-2393 or (800) 226-3881.

Sincerely,

Robert Nixon,
Executive Director
